MOVING THE FOUNDRY

It Will Stand on Its Own Ground West
of Its Present Location—A Great
Improvement.

As has been already intimated in
these columns, the proprietors of the
Ocala Foundry and Machine Shops are
doing big things for the betterment of
their business and the promotion of
Ocala's prosperity.

They have purchased all of the vac-
ant lot known as the Western property
to the west of their shops, except eight
feet in the northeast corner, also all
of the vacant lot to the west of North
Main street. They have built a spur
from the Coast Line into the big lot
just west of the foundry, and around it
will soon erect large and commodious
buildings, details of which Manager
Anderson will give later.

This is an improvement that means
much for Ocala.

EXPANSION OF MARTIN & CO.

Nothing more interesting points to
the steady advancement of Ocala than
the continued enlargement of the var-
ious business enterprises of the town.
The latest to show that trade is good
and more room is needed is that of J.
R. Martin & Co., one of Ocala's enter-
prising firms. In order to obtain the
room needed for their rapidly increas-
ing business, they have bought from
Captain Eaton the lot north of their
stable occupied by Mrs. Bostick's mil-
linery store, and the corner lot west
owned by Mrs. Allen Brown, which lat-
ter purchase was made through Mrs.
Brown's agent, Mr. J. B. Beeland of
Ocala. Martin & Co. will improve the
lot between their barn and the mil-
linery store by removing the shed now
covering it and erecting thereon a sub-
stantial brick building, to be used as a
carriage repository. The space now
used for storing vehicles will be con-
verted into stables, while the lot in the
rear will be filled up and box stalls
placed around the sides.

All this space is greatly needed to
meet the demands of the increasing
trade of the firm.

It is also the intention of Martin &
Co. to purchase a farm near the city
on which to make hay, and turn out
horses to recuperate whenever they be-
come run down by overwork, which
last idea is both humane and business-
like.

Miss Lucile Ausley, who has been visit-
ing Mrs. Cornelia Ahlum, has gone to
Ocala to be the guest of Miss Violet
Harris. Miss Violet Harris spent Fri-
day with Miss Cornelia Ahlum, en-
route for Ocala. Mrs. W. C. Lertz and
Miss Cornelia Ahlum will leave in a
few days for Atlanta, and from there
will go to Lithia Springs and Tallulah
Falls. Sunday's Times-Union.

Thomas Taggart, the new chairman
of the Democratic National Committee,
once beat Benjamin Harrison in his
own town, when that astute republican
politician was at the height of his pow-
er. This is a good omen for present
success. Mrs. Taggart is also a true
democrat, refusing to allow her picture
to be taken for the purpose of partici-
pating in the press.

WAS IN POOR

HEALTH FOR YEARS

Mr. W. Kelly of Mansfield, Pa., writes:
"I was in poor health for two years,
suffering from kidney and bladder
trouble, and spent considerable money
consulting physicians without obtain-
ing any marked benefit, but was cured
by Foley's Kidney Cure, and I desire
to add my testimony, that it may be
the cause of restoring the health of
others." Refuse substitutes. Sold by
the Postoffice Drugstore.

The most strike in the northern
states is making lots of demerits. It is
worthy of note that the strikers are
employing many negroes to break the
strike, and the strikers display even
less cordiality toward them than they
do toward white scabs.

A SWEET BREATH

Is a never-failing sign of a healthy
stomach. When the breath is foul, the
stomach is out of order. There is no
remedy in the world equal to Kidol
Dyspepsia Cure for curing indigestion,
dyspepsia, and all stomach disorders.
Mrs. Mary S. Clark of White Plains,
Ky., writes: "I have been a dyspeptic
for years, tried all kinds of remedies,
but continued to grow worse. By the
use of Kidol I began to improve, and
after taking a few bottles, I was
fully restored in weight, health and
strength, and can eat whatever I like.
Kidol digests what you eat, and makes
the stomach sweet. Sold in every city
by Wm. Anderson."

George Tyle has been tried and found
guilty of desertion at St. Louis, and was
sentenced to 97 days in the county jail.

Is the one that will cleanse the system,
set the liver to action, cure headache
and induce a good taste in the mouth.
The famous little pills for doing such
work pleasantly and effectively are Dr.

of Lafayette, Ind., says: "All other pills
I have used gripe and sicken while Dr.
Watts' Little Early Risers are simply
perfect." Sold by Wm. Anderson.
